WILL WED IN ST. LOUIS

Col. Myron H. McCord and Miss Mary E. Winslow.

Colonel Myron H. McCord, United States marshal for Arizona, left on Tuesday morning for St. Louis. He told but few of his friends about his proposed journey for his mission was mainly a personal one, the nature of which could be better told in a nice little story after his departure. He is of course going to see the fair but his principal purpose is to wed Miss Mary Emma Winslow, which important event is scheduled for the 10th day of August, the nuptials to be celebrated at the residence of R. C. Winslow, a brother of the bride to be and whose home is in the world's fair city. After the wedding a couple of weeks will be spent in viewing the wonders of the exposition, after which Col. and Mrs. McCord will come direct to Phoenix and be at home at his residence, No. 1901 west Adams street.

The wedding is not the culmination of a brief or sensational romance but that has endured through many years, as the bride to be is an old friend of Colonel McCord's former wife who died just a year ago last June at Long Beach, Cal., after an illness of over a year. They have therefore been intimate friends for many years and Miss Winslow was at one time a resident of this city and a guest of the family. She is therefore no stranger to Phoenix and is not unacquainted with what is to be her future home.

The groom is one of the most widely known men in the territory and has an acquaintance also that is national in its scope. He was born November 26, 1844, educated at Richburg, N. Y., academy and early in life moved to Wisconsin, which state he served in the legislature of 1874-4, serving also in congress from the ninth district of Wisconsin in 1878 and 1880. Soon after that he came to Arizona, which has been his home ever since. He was appointed governor of Arizona in 1887, resigning his office in 1898 to accept the colonelcy of the first territorial volunteer infantry, organized during the Spanish-American war. He was mustered out Feb. 15, 1899, and was appointed United States marshal just before the death of President McKinley and reappointed by President Roosevelt.

CONGRESSMAN WILBER SAYS

(To The Pe-ru-na Medicine Co., of Columbus, O.)

"Pe-ru-na is All You Claim For It."

Congressman D. F. Wilber, of Oneonta, N. Y., writes:

The Peruna Medicine Co., Columbus, Ohio:

Gentlemen:—Persuaded by a friend I have tried your remedy and I have almost fully recovered after the use of a few bottles. I am fully convinced that Peruna is all you claim for it, and I cheerfully recommend your medicine to all who are afflicted with catarrhal trouble.—David F. Wilber.

Peruna a Preventive and Cure for Colds.
Mr. C. F. Given, Sussex, N. B., Vice President of "The Past-time Boating Club," writes:

"Whenever the cold weather sets in I have for years past been very sure to catch a severe cold which was hard to throw off, and which would leave after-effects on my constitution the most of the winter."

"Last winter I was advised to try Peruna, and within five days the cold was broken up and in five days more I was a well man. I recommended it to several of my friends and all speak the highest praise for it. There is nothing like Peruna for catarrhal affections. It is well nigh infallible as a cure, and I gladly endorse it."—C. F. Given.

A Prominent Singer Saved From Loss of Voice.

Mr. Julian Weissitz, 175 Seneca street, Buffalo, N. Y., is corresponding secretary of The Sangerist, of New York; is the leading second bass of the Sangerist, the largest German singing society of New York and also the oldest.

In 1899 The Sangerist celebrated its fiftieth anniversary with a large celebration in New York City. The following is his testimony:

"About two years ago I caught a severe cold while traveling and which settled into catarrh of the bronchial tubes, and so affected my voice that I was obliged to cancel my engagements. In distress I was advised to try Peruna, and although I had never used a patent medicine before, I sent for a bottle."

"Words but ill describe my surprise to find that within a few days I was greatly relieved, and within three weeks I was entirely recovered. I am never without it now, and take an occasional dose when I feel run down."—Julian Weissitz.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.
